

Back to School Night 2021

Parent Handbook

Mrs. Shivika's Classroom

"We discovered that education is not something which the teacher does, but that it is a natural process which develops spontaneously in the human being. It is not acquired by listening to words, but in virtue of experiences in which the child acts on in his environment." - Maria Montessori, The Absorbent Mind

Morning Arrival~ Please be on time! **School starts promptly at 8:30 a.m.** Your child must be signed in! Your child's temperature will be taken outside of the classroom door and a visual health check will be completed. If your child is showing any signs of illness such as a cough, runny nose, fever they will be asked to leave and return when they are symptom free or a doctor's note is provided stating that the child is not contagious and can return to school. Your child will need to change his/her shoes before entering the classroom. Please have your child place all of their items on his/her hook and should enter with only his/her water bottle (which should be labeled with his/her name).

The child who arrives late could disrupt the class and misses the important socialization process that naturally occurs at the start of the day. Children that arrive past 8:30 a.m. will need to enter the classroom peacefully and independently.

Departures... Full day students that will not be staying for after school daycare are to be picked up at 2:30 pm. Children leaving early for any reason must contact the office and leave a note for the teacher with the time they are being picked up. This will ensure the children will be ready at the requested time and will cause the least amount of disruption.

Need to talk to the teacher... Morning drop off time is usually quite busy. If you need to talk to the teacher about your child or have any questions, please speak with the office so that they may facilitate or schedule a time to speak with Shivika. You can also feel free to schedule a brief conference, if necessary. Communication is a very important element of the parent and teacher relationship, please feel free to come to us with any concerns you may have. Some questions can be addressed with an assistant, how your child ate, potty training successes, ouch reports, etc.... However, most questions and concerns are best addressed directly with Shivika who has an understanding of your child's progress in each area of development.

Toys and jewelry... Please do not allow your children to bring toys or jewelry to school. The special-ness of an item may be too tempting for other children, or the item may be lost or broken and cause hurt feelings. Jewelry poses a safety problem as well.

Share time/ Public Speaking... Educational objects from nature, books, photos, etc. make great share items. Children are also welcome to share something verbally about their lives. Through this the child learns to speak in front of their peers. This is an excellent way of gaining self-esteem at an early age. Share Day will be every Wednesday. Items brought in must be placed in the "share basket" located on top of the student work drawers.

Children's Drawers... Each child has a drawer for any project they have done to be sent home. It is located by the door inside the classroom. If your child doesn't have a lot of work

in their drawer, rest assured that they are still always busy doing many activities, which we would be glad to share with you.

Extra Clothing... We ask that every child have a set of extra clothes at school at all times. We will check these clothes occasionally to make sure they are the right size and weather appropriate. All clothes should be labeled so that they are not misplaced or sent home with another child.

Field Trips... Due to COVID-19 we will be postponing all field trips until further notice. Once field trips are allowed the following information will go into effect. We generally will have the opportunity to go on 3-4 field trips away from the school. On these trips we will require parent volunteers. Transportation for these trips is usually being provided in vehicles of parents or guardians of the children enrolled in the school. We encourage you to participate in these trips. To be a parent volunteer you will need to provide the following items to the office prior to the field trip:

- Show proof of valid driver's license
- Show proof of insurance (if driving)
- Show proof of immunizations:
 - Measles
 - **YEARLY** Influenza (Flu Shot or declination)
 - Pertussis (Whooping Cough)
 - TB Clearance (within the last year)

Birthdays... Celebrating the day of your child's birth is very important and special. Our birthday celebration allows every child the joy of sharing some of the more meaningful/exciting events in the child's life. You may bring in a special snack for their celebration. Be creative... we have a low sugar policy. *In an attempt to avoid competition- we will not be allowing any treat or goodie bags to be handed out. Please save this for your private celebrations. We would be glad to help you distribute invitations to your child's friends. These can be handed to Shivika, one of her assistants or with someone in the office.

Low Sugar Policy... We will be implementing a healthier approach to snack and lunch again this year. We are asking that no high sugar products be sent to school with your child at any time except for special parties and celebrations. This includes cookies, cupcakes, fruit punch/high sugar juice, candy, syrup, cake, donuts, etc. These foods have been found to alter behavior of children in many ways and lead to an unhealthy lifestyle. Please help us in keeping our children happy and healthy. Any items we feel do not observe our low sugar policy will be sent back home.

Snack... Each month your child will have the opportunity to host their own snack day. Snack must be brought to school before 8:30 am on your designated day. If you are unable to bring the snack on time for any reason, please bring in the day prior to make sure it gets here. We prepare snack before school daily. This helps our mornings go smoothly. Please let Shivika know if you are not sure about an item or amount and she can clarify it for you. We are always open to new ideas or foods from different cultures, etc. Snack menus are available on our website at <https://www.montessoriacademyca.com/snack-schedules> for your reference.

Allergies... If your child has any special dietary requirements, please let us know immediately. We may ask for you to provide back up snacks for us to keep on hand at the school. Please also help us by sending in a small photo and list of your child's allergies so that we may post it in our snack cabinet.

Nap/Rest time... Each child is offered a time of rest between 12:30pm and 2:30pm. It is very important that your child has everything he/she needs to make this time peaceful and restful. Please be sure to bring your child's bedding in on Mondays and take it home on Fridays. If for any reason your bedding is sent home during the week, please return a clean sheet and blanket for the following day.

Observations... Due to COVID-19 we are limiting the amount people entering the classrooms. As restrictions are lifted we invite and encourage you to observe our class any time. This is the best way to see what goes on in our unique Montessori environment on a daily basis. You can schedule an observation with me or the office.

Parent Teacher Committee Involvement... We invite all parents to join our Parent Teacher Committee (PTC) for a chance to become involved in special events and fundraisers that take place at MAU. Parents will be able to provide insight into what activities they would like to take place and what things they would like to see improved with the school. The committee is responsible planning community events, fundraisers, allocating funds earned and philanthropy opportunities for the school.

Classroom Rules

In our classroom the children are expected to treat each other, the staff and the materials with respect. Children learn behavior from adult guidance and observation of other children. Teachers are continuously modeling appropriate behavior and intervene only when necessary. It is our responsibility as adults to foster healthy and happy interactions.

Here are the rules that we as a class have decided we will follow this school year:

- We use our walking feet inside
- Be respectful to friends and teachers
- We keep our hands and feet to ourselves
- We use our inside voices
- If we spill, we clean it up
- We always raise our hands to share ideas with the class
- We may only choose work that we've had a lesson on
- We put the work back in its place when we are finished
- We use kind words
- We say "please stop" when friends are doing things we don't like
- We are gentle with the materials
- You may not disturb another person's work

"If education recognizes the intrinsic value of the child's personality and provides an environment suited to spiritual growth, we have the revelation of an entirely new child, whose astonishing characteristics can eventually contribute to the betterment of the world." - Maria Montessori, Peaceful Children, Peaceful World

Mrs. Shivika's Classroom 2021-2022 Unit Study:

<p><u>September:</u> Themes: Getting to know our friends Continents and Oceans</p> <p>Values: Friendship Respect</p>	<p><u>October:</u> Themes: The Solar System Human Body</p> <p>Values: Honesty</p>	<p><u>November:</u> Themes: Pilgrims and Native Americans</p> <p>Values: Tolerance</p>	<p><u>December:</u> Themes: Holidays Around the World</p> <p>Values: Sharing</p>
<p><u>January:</u> Themes: Animal Habitats</p> <p>Values: Loyalty</p>	<p><u>February:</u> Themes: Presidents Black American History</p> <p>Values: Courage</p>	<p><u>March:</u> Themes: Seed to Plant</p> <p>Values: Cooperation</p>	<p><u>April:</u> Themes: Community Workers</p> <p>Values: Self-Control</p>
<p><u>May:</u> Themes: Food Groups</p> <p>Values: Kindness</p>
